# To Our Many Friends--

We take pleasure in presenting to you our new Fall catalog. In it we offer a select assortment of bulbs for Fall planting. Besides the best of standard sorts and varieties we offer some rare and unusual subjects.

Time and effort are never spared that only stock of superior quality be produced. Backed by a personnel of long experience together with prompt and careful service, assures you of securing the very best obtainable when you place your order with us.

An invitation is extended to you to visit our gardens during the blooming season. There is no formality of admission and you will not be obligated to buy.

**All prices quoted include postal or express charges, unless otherwise stated.**

In case of error or dissatisfaction of any kind, please notify us **immediately** so that proper adjustment may be made.

**Cash or satisfactory references must accompany all orders.**

## DISCLAIMER

There are so many causes for failure over which we have no control that we can assume no responsibility after stock is delivered in good order. Poor soil, unfavorable weather, improper or careless culture, will contribute to failure, and are all beyond our control. For these reasons we do not warrant in any way, express or implied, the contents, description, quality, productiveness, or any other matter, of any seeds and bulbs sold by us, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on above terms, no sale is made, and he must return them at once and money will be refunded.
